Dear Ray,

Thank you for your generous gift to the children of Oak Grove; for the "Evening Under the Oaks" event. Proceeds from the event will assist us with replacing two outdated modular classrooms and adding two specially designed classrooms equipped for children afflicted with Autism. Because of your support and kindness, we are closer to making this dream a reality. We are very excited to report that we raised \$52,000 towards the \$400,000 cost of this project. The generosity of individuals like you in helping us meet the needs of the children we are serving as well as the special needs population of children with Autism is greatly appreciated.

Oak Grove is dedicated to **Preventing** child abuse, to **Treating** and **Educating** at-risk children and to **Preserving** the family... "One Life at a Time"®. We appreciate the difference you are making by being part of companies that give back and value making an impact in the lives of others.

On behalf of the children of Oak Grove, thank you again for your generous support.

Sincerely,

Tammy Wilson, MFT  
Executive Director/CEO
